PROFILE

Skilled MERN Stack Developer with expertise in MongoDB, Express.js, React, and Node.js. Proficient in building RESTful APIs, designing scalable backend systems, and integrating seamless frontend-backend workflows. Experienced with tools like Docker, Git, and Postman to streamline development and deployment. Strong problem-solver with a focus on delivering efficient, user-centric web applications.

PROFESSIONAL EXPERIENCE

Kumbhadevertise 12-2023 – present | Indore, India
Software developer

- Developed and maintained full-stack web applications using MongoDB, Express.js, React, and Node.js, delivering scalable and efficient solutions.
- Designed and implemented RESTful APIs for seamless data exchange between frontend and backend systems.
- Created responsive, dynamic user interfaces with React and Tailwind CSS, enhancing user engagement.
- Optimized database schemas in MongoDB to improve query performance and ensure data integrity.

EDUCATION

Bachelor of Technology from Computer Science 08-2020 – 06-2024 | Indore, India
Indore Institute of Science and Technology
CGPA 8.34

Higher Secondary Education 2020 | Multai
Corolla Public School
Percentage - 80%

SKILLS

Frontend Frameworks: React, Tailwind CSS, Material UI | **Backend Frameworks:** Node.js, Express.js |
Programming Languages: JavaScript, Java, SQL | **Database Management:** MongoDB |
DevOps Tools: Docker | **Version Control:** Git & Github

PROJECTS

MyVedio 12-2024
Backend Application

- Developed a full backend API for a video application using Express.js.
- Implemented CRUD operations (Create, Read, Update, Delete) for video management, including features like like/dislike, add, delete, and update.
- Ensured API performance and reliability for smooth user interactions with video content.
- Applied best practices for API design, authentication, and data validation.

Handwill 05-2023
Online Local Store Website

- Designed and developed a local sellers' website using ReactJS, SCSS, and Strapi.
- Integrated frontend and backend seamlessly to enhance user experience and facilitate local commerce.
- Showcased expertise in building scalable and user-friendly web applications.

CERTIFICATES

Advanced React (Coursera, August 2023) | **Internal Hackathon** (IIST, March 2023) |
Python & Data Analytics (ShapeAi, 2021) | **Java Certification Course** (Skillup by Simplilearn, November 2022)
